CLASSIC RESIDENCE BY HYATT IN PALO ALTO CONTINUING CARE RESIDENCY CONTRACT

This Continuing Care Residency Contract (this "Contract") is made between CC-Palo Alto, Inc., a Delaware corporation (the "Provider"), through its agent, Classic Residence Management Limited Partnership, d/b/a "Classic Residence by Hyatt" ("Classic Residence") and Burton and Laurose Richter (collectively, "You" or "Resident.") (If more than one Resident signs this Contract, "You" refers to each of You individually and to both of You together.)

RECITALS

A. The Provider is licensed by the State of California to provide continuing care services at the community known as Classic Residence by Hyatt in Palo Alto, located at 620 Sand Hill Road, Palo Alto, California (the "Community").

B. Upon completion of construction, the Community is comprised of 388 independent living units; a Care Center with private skilled nursing suites, assisted living residences, and private rooms for memory support; common areas including an indoor pool and spa, library, bank, exercise room, activity rooms, dining venues; and administrative offices.

C. The land upon which the Community is situated is subject to a ground lease (the "Ground Lease") between Stanford University ("Stanford") as lessor, and the Provider, as lessee. Stanford's sole relationship with the Provider and the Community is as ground lessor of the land on which the Community is located, and Stanford shall have no obligations, duties, or liabilities whatsoever to You or any other residents at any time.

D. The Provider is solely responsible for providing services to You under this Contract. While the Community is located on land leased from Stanford, the Provider is not in any way affiliated with Stanford or with any religious or charitable entity. Neither Stanford nor any entity related to either Provider or Classic Residence is responsible for the performance of this Contract or payment of any obligation to You under this Contract or any other agreement related to it.

E. The Provider intends that the daily operations for the Community will be budgeted such that Monthly Fees from all residents, along with other revenues, excluding entrance fees, payments for upgrades and one-time payments for an additional parking space, will be sufficient to pay all the Community costs incurred in connection with the operations, maintenance, and services provided at the Community, determined on a long-term, stabilized basis (see **Appendix D**).

F. On the terms set forth in this Contract, the Provider will provide You with independent residential accommodations and assisted living, memory support, and skilled nursing services. This Contract sets forth those services in detail, and provides a statement of Your legal rights and obligations with respect to the Provider. A Resident Handbook, which describes policies and rules for the Community, is attached as **Appendix A**.

1. **ACCOMMODATIONS AT THE COMMUNITY**

1.1 **Your Home**

You have chosen to live in Apartment 206C at the Community ("Your Home"). Your responsibilities with respect to Your Home are described in Section 5 (*Provisions with Respect to Your Home*) and elsewhere in this Contract.

1.2 **Fixtures and Furnishings**

Your Home is furnished with a refrigerator, microwave, range with surface cooking units and oven, garbage disposal, dishwasher, smoke alarm, emergency call system, patio furniture, washer and dryer, and window and floor coverings. These fixtures and furnishings and any additional furnishings supplied by Provider in Your Home are detailed on Your closing statement. All such fixtures and furnishings, Your Home, and the Community are the property of the Provider.

1.3 **Your Furnishings**

The Community's standards regarding furnishing Homes are described in the Resident Handbook (see **Appendix A**). You may furnish Your Home in accordance with these standards. You agree, at the Provider's request and at Your cost, to remove any furnishings or equipment from Your Home that do not meet the Community's standards.

1.4 **Eligibility**

To be eligible to occupy Your Home and receive the services described in this Contract, You must be at least 62 years of age and meet the health and financial criteria established by the Provider at the time You enter into this Contract. The Provider reserves the

right, at its discretion, to modify and vary from these admission criteria, from time to time, in connection with other residents at the Community.

1.5 Term of Contract

This Contract will be in effect for the duration of Your life, provided You comply with Your obligations hereunder and unless this Contract is cancelled or terminated as provided in Section 8 (*Termination of Contract and Refund or Repayment of Entrance Fee*).

2. GENERAL SERVICES

2.1 Services Included in Monthly Fee

You will receive the following services and amenities as part of Your Monthly Fee [defined below in Section 3.3 (*Monthly Fee*)], unless otherwise noted.

2.1.1 Dining Services. The Provider will serve three nutritionally well-balanced meals per day at designated times. Snacks will also be made available daily at locations and times designated by the Provider from time to time. Your cost of these meals and snacks depends upon the dining service program You select. The Provider offers three dining service programs at the Community as described in **Appendix B**. Your Monthly Fee covers the meal program that You have selected in **Appendix B** for Your individual dining needs. Additional meals will be charged to You separately (see **Appendix C** for a Schedule of Fees for Optional Services). In addition, the Provider will accommodate customary and reasonable special diets that are prescribed by Your personal physician as a medical necessity for an additional fee. All meals will be served in the dining venue(s) described in **Appendix B**. You may change Your dining service program only once during the Provider's fiscal year (ending 12/31), by giving at least sixty (60) days prior written notice.

2.1.2 In-Home Meal Delivery. During Your temporary illness, after notice to and authorization from the Wellness Center Coordinator, meals will be delivered to Your Home, without a delivery charge. There will be a charge for all other meal deliveries to Your Home (see **Appendix C**).

2.1.3 Housekeeping. The Provider will perform weekly light housekeeping services for Your Home as part of Your Monthly Fee.

2.1.4 Laundry. The Provider will launder Your bed linens weekly as part of Your Monthly Fee.

2.1.5 Activity Programs. The Provider offers various social, cultural, and recreational activities at and away from the Community, some of which may involve an extra charge. These activity programs are offered with the intention that some of them may meet the spiritual, physical, social, or intellectual interests of residents. You are welcome to participate in these activities as You wish.

2.1.6 General Observation. The Provider will make reasonable efforts to remain generally aware of Your health condition and functional status to help You recognize and attempt to respond to Your dietary and social needs, and needs for special services.

2.1.7 Transportation. Your Monthly Fee includes scheduled transportation services to local destinations as determined by the Provider and scheduled transportation to Your appointments with professionals offering medical, dental, and other health care services within the local area and within designated times.

2.1.8 Community Areas. The Provider maintains a variety of recreational amenities at the Community for use by residents.

2.1.9 Parking. One car per Home may be kept at the Community; however, this right is not assignable. The Provider may make additional parking spaces available for an extra one-time fee and an additional monthly fee, from time to time established by the Provider, space permitting. If you have an additional parking space, such extra fee may be modified, from time to time, upon thirty (30) days' advance notice to You. Parking will be on a valet basis.

2.1.10 Storage. Limited storage space is available within each Home. The Provider may make additional storage spaces available for an extra charge, space permitting. Such extra charge may be modified, from time to time, upon thirty (30) days' advance notice to You.

2.1.11 Utilities and Insurance. Electricity, water, sewer, trash/garbage disposal, heating and air conditioning, liability and casualty insurance for the Community (to the extent commercially available), and basic cable television services are included in Your Monthly Fee.

2.1.12 Maintenance. The Provider will perform maintenance of buildings and grounds, including routine maintenance and repairs of Your Home. Your Monthly Fee does not include the cost of maintenance and repairs of Your Home made necessary by causes other than ordinary wear and tear, and those costs, if any, will be charged to You separately. You are also responsible for maintaining or arranging for the maintenance and repair of Your personal property.

2.1.13 Emergency System. Your Home is equipped with an emergency call system.

2.1.14 Long-Term Care. The Provider offers a long-term care program, which includes assisted living, memory support, and skilled nursing care, as described in Section 4 (*Long-Term Care*). The charges You will pay for long-term care services and supplies are set forth in Section 4.2 (*Cost of Long-Term Care Services*).

2.1.15 Taxes. The Provider will annually estimate the real estate taxes, special taxes or assessments, and any other taxes that it believes may be levied by the City of Palo Alto, County of Santa Clara, or State of California on the Community. These taxes will be included in the determination of Your Monthly Fee.

2.1.16 Operating Costs. Residents of the Community are responsible for payment of all costs of operating the Community, except for interest payments pursuant to Section 10.8 (*Possible Imputed Interest Tax Liability*). Such operational costs are intended to be paid from Monthly Fees of all residents [see Section 3.3.2 (*Calculation of Monthly Fees*) and Section 3.3.3 (*Operating Costs*)].

2.2 Services Not Included in Monthly Fee

You will pay an additional charge, referred to throughout this Contract as "Miscellaneous Expenses," for optional services offered by the Provider that are not covered by Your Monthly Fee. [See Section 2.1 (*Services Included in Monthly Fee*).] See Appendix C for a Schedule of Fees for Optional Services.

2.2.1 Meals. You will be charged for snacks and any additional meals not included in the dining service program You selected in Appendix B. You will also be responsible for paying for Your guests' meals, in-home delivery meals not covered by Your Monthly Fee, and any special diet that Your physician orders. [See Section 2.1.1 (*Dining Services*) and Section 2.1.2 (*In-Home Meal Delivery*).]

2.2.2 Special Services. Upon Your request and subject to availability, additional housekeeping, guest accommodations, special activities, home health care, and other special services will be offered for an extra charge.

2.2.3 Personal Property and Liability Insurance. Your Monthly Fee will not include the cost of insuring Your personal property or liability insurance for damage or injury that You or Your guests or invitees cause to the Community or individuals. [See Section 5.2 below (*Damage to Home or Community*).]

2.2.4 Other Optional Services. The Provider may offer additional (optional) services in the future.

2.2.5 Health Care. Your Monthly Fee will not include physician-care, home health care, hospital care, or rehabilitative services. [See Sections 4.1.7 (*Physician Care*), 4.1.8 (*Home Health Care/Private Aides*), 4.1.9 (*Hospital Care*), 4.1.10 (*Specialized Rehabilitative Services*), and 4.4 (*Excluded Services*) below.]

2.2.6 Changes in Scope of Optional Services. The nature and scope of all Optional Services under this Contract and the charges for the Optional Services may be adjusted from time to time, upon thirty (30) days written notice to You.

3. FEEES

Occupancy of Your Home, use of the accommodations at the Community, and the right to receive the services described in this Contract are contingent upon Your timely and full payment of the following fees:

3.1 Entrance Fee

You agree to pay the sum of \$ 1,565,100.00, plus, if applicable, a Second Person Entrance Fee of \$ 25,000.00 (collectively, the "Entrance Fee"), in the manner described in this Section 3.1. Any refund or repayment due to You will be paid or allocated as described in Section 8.5. (*Amount and Timing of Refunds or Repayments*), as applicable.

3.1.1 Deposit. You paid a \$ 345,402.00 deposit (the "Deposit") upon Your execution of a Deposit Agreement with Provider. The Deposit will be applied against the amount of the Entrance Fee.

3.1.2 Balance of Entrance Fee. You shall pay the balance of the Entrance Fee prior to occupying Your Home, but not later than thirty (30) days following the date the Provider notifies You that Your Home is available for occupancy. If someone other than the Resident is paying the Entrance Fee, that payor (i.e., the "Transferor") is identified on the signature page of this Contract.

3.2 Processing Fee

You already paid a \$ 250.00 Processing Fee to cover the administrative costs of processing Your application for residence at the Community. The Processing Fee is not refundable or applicable to the Entrance Fee or any other charge.

3.3 Monthly Fee

3.3.1 Amount to Pay. You agree to pay a monthly fee (the "Monthly Fee") to the Provider, commencing on the thirtieth (30th) day following the date that the Provider notifies You that Your Home is available for occupancy or on the date You first occupy Your Home, whichever is earlier (such earlier date to occur is referred to as the "Occupancy Date"). Your Monthly Fee will be prorated for the first month if the date payment is first due is not the first day of the month. The Monthly Fee for the first year ending on December 31st after the Occupancy Date shall be \$ 5,610.00 for single occupancy of Your Home, and \$ 7,110.00 for double occupancy. The Monthly Fees may be adjusted annually by the Provider upon thirty (30) days' advance written notice. Monthly Fee adjustments shall be based upon (i) the Provider's prior year per capita costs, economic indicators, and projected costs as determined by the Provider; and (ii) after Provider makes provision for any reserves, any surpluses resulting from Monthly Fees or other revenues collected by the Community, such as reimbursement from any federal health care program or private insurer, all of which shall be applied to the cost of operating the Community.

3.3.2 Calculation of Monthly Fees. Residents' Monthly Fees are intended to pay all costs of operating the Community; provided that, prior to and including the Initial Minimum Occupancy Level Date (defined below), the Provider will fund any deficit between Monthly Fees collected and the costs of operating the Community, including without limitation the funding of operating and capital reserves and a pro rata share of all expenses (e.g., taxes, insurance, and Base Rent under the Ground Lease) that may accrue as of and prior to the Initial Minimum Occupancy Level Date or that may be allocable to the period up to and including the Initial Minimum Occupancy Level Date, regardless of when such expenses are actually paid. The "Initial Minimum Occupancy Level Date" shall be the last day of the same month in which, for the first time, there are residency agreements in effect for at least eighty percent (80%) of the total number of independent living units in the Community pursuant to which residents are obligated to pay Monthly Fees for that month. After the Initial Minimum Occupancy Level Date, any deficit between Monthly Fees collected and the costs of operating the Community shall be funded by a Shortfall Loan as described in Appendix D and in the Provider's Policies and Procedures for Resident-Funded CCRCs and Shortfall Loans. Entrance fees, payments for upgrades and one-time payments for an additional parking space are not credited toward the costs of operating the Community.

3.3.3 Operating Costs. The costs of operating the Community intended to be paid from residents' Monthly Fees include, but are not limited to: (i) the costs to provide all services and amenities under this Contract and under all other resident contracts at the Community; (ii) the costs of insurance policies, including property, casualty and liability insurance policies; (iii) employee expenses (including salaries, benefits and taxes); (iv) all costs of maintenance, repairs, and replacements of capital items, including furnishings, fixtures, and equipment; (v) operating and capital reserves; (vi) a management fee to Classic Residence or its successor; (vii) Base Rent payments under the Ground Lease for the Community; and (viii) any marketing costs incurred after the later to occur of either (a) the Initial Minimum Occupancy Level Date; or (b) the end of the month in which ninety percent (90%) of the independent living units are subject to a residency contract or reserved with each reservation having a deposit of at least twenty percent (20%) of the then applicable unit Entrance Fee, or both. The Provider will forecast, on an annual basis, anticipated costs of operating the Community and anticipated Monthly Fee revenue for the next year and for future years. Typically, the forecasting occurs in October and the Provider establishes Monthly Fees on or before January 1st of each year for such year.

3.3.4 Capital Item Replacement Reserve. In order to diminish the likelihood of special assessments for replacements of capital items, including furnishings, fixtures, and equipment, the Community will maintain a reserve account ("the Capital Item Replacement Reserve") which will be funded by a portion of all Residents' Monthly Fees, which currently is five percent (5%) of Monthly Fee revenue annually. Additional policies related to the anticipated costs of operating the Community, the Capital Item Replacement Reserve, and the Provider's payment of certain marketing costs and funding of any operating cost deficits after the Initial Minimum Occupancy Level Date via a Shortfall Loan are set forth in further detail in **Appendix D** and in the Provider's Policies for Capital Expenditure Responsibility and Shortfall Loans.

3.3.5 Historic Schedule of Average Monthly Fees. An historic schedule of the average Monthly Fees for the past five (5) years (or such lesser number of years that the Community has operated as a continuing care retirement community) is attached as **Appendix E**.

3.3.6 Payment Procedures. The Provider shall bill You monthly in advance for Your Monthly Fee. You must make payment by the tenth (10th) day of the month in which Your Monthly Fee is due to avoid a late payment charge of \$25.00 per delinquent payment. The late

payment charge is not intended to be a penalty, but is an estimate of, and is intended to defray, the administrative costs of collecting delinquent payments. Any Miscellaneous Expense or payment due that is delinquent more than fifteen (15) days shall bear interest at the lesser of ten percent (10%) or the maximum legal rate from the due date until the date paid.

3.3.7 Credit for Absences. If You give advance written notice to the Provider that You will be absent (including an absence for medical reasons) from the Community for more than fifteen (15) consecutive days, You will receive a credit equal to the Provider's estimate of the direct food costs per meal for the meals You miss under Your meal plan. The credit will begin on the sixteenth (16th) day of Your absence and will continue for the period of Your absence for which You have given notice. The balance of Your Monthly Fee shall remain payable in accordance with the terms of this Contract.

3.4 Fees for Optional Services

You agree to pay an additional charge for all services or supplies You use that are not included in Your Monthly Fee. [See Sections 2.1 (*Services Included in Monthly Fee*) and 2.2 (*Services Not Included in Monthly Fee*) above.] The current fees for such services are included in **Appendix C** in the Schedule of Fees for Optional Services. The Provider will bill You for these additional charges as Miscellaneous Expenses, together with Your Monthly Fee, after they have been incurred. The payment procedures will be the same as for Your Monthly Fee. The Provider may change the pricing of optional services or supplies upon thirty (30) days' advance written notice.

3.5 Upgrades to Your Home

You have paid \$ 2,950.00 for upgrades, special features, and/or modifications to Your Home. [See Section 5.3 (*Alterations*).] Upon cancellation or termination of this Contract by the Provider, a portion of such costs may be refundable, but only on the terms described in Section 8.5.4 (*Payments for Upgrades*).

4. LONG-TERM CARE

4.1 Services

4.1.1 Skilled Nursing. The Provider will provide basic skilled nursing care to You, as needed, in a private room at the Community's Skilled Nursing Facility located in the Care Center. Such services shall include, as needed, all services available in assisted living, together with care planning, medication administration, skin and wound care, incontinence care, arranging for diagnostic and therapeutic services, dietary services, housekeeping services, social

services, and an activity program. If You are admitted to the Skilled Nursing Facility or an outside nursing facility, You agree to sign a separate skilled nursing facility admission agreement in its then-current form (the "SNF Agreement"). The SNF Agreement contains a detailed description of the nursing services covered by Your Monthly Fee and the Optional Services that are available for an additional fee (see Attachment B to the SNF Agreement). By signing the Acknowledgment Form attached to this Contract, You acknowledge that You have received a sample of the Skilled Nursing Facility's current SNF Agreement, which is incorporated by reference into this Contract and made an express part of it.

4.1.2 Assisted Living. The Provider will provide You with assistance, as needed, with such daily activities as bathing, dressing, grooming, and assistance with storage and distribution of medications in a private assisted living apartment at the Assisted Living Center located in the Care Center. (See **Appendix F** for a description of the assisted living services covered by Your Monthly Fee.) Each assisted living apartment will be furnished with window treatments, wall-to-wall carpeting in living and bedroom areas, vinyl flooring in the bathroom, along with a small refrigerator, freezer, microwave oven and sink in the kitchen area. A limited number of two bedroom units are available for an extra charge.

4.1.3 Memory Support. The Provider will provide memory support services, as needed, to residents who have Alzheimer's disease, dementia or other cognitive impairments requiring specialized care. Such services include, as indicated, all services available in assisted living, plus protective supervision and a specialized activity program. (See **Appendix F** for a description of the memory support services covered by Your Monthly Fee.) If You need such services, they will be provided to You in a private room at the Memory Support Center located in the Care Center.

4.1.4 Priority Access and Outside Care. You will receive first priority access to the Care Center, including the Skilled Nursing Facility, Assisted Living Center, and Memory Support Center (collectively referred to hereafter as the "Care Center") over non-residents. If no space is available at the Care Center, You will receive skilled nursing care, assisted living care, or memory support services, as appropriate, at a nearby outside facility with which the Provider has a referral agreement. You will have first priority over non-residents for admission to the Care Center at the Community when space becomes available. Priority for admission to the Care Center among residents will be established upon a first-in-time basis with respect to each type of unit in the Care Center. You agree to move promptly to the Care Center upon the Provider's

notice that a unit at the Care Center is available. [See Section 4.2.2 (*Care at an Outside Facility*).]

4.1.5 Medical Director. The Provider contracts, on a consulting basis, with a physician licensed to practice medicine under the laws of the State of California who serves as Medical Director of the Care Center.

4.1.6 Care Team. The Community has an interdisciplinary team consisting of the Executive Director, Care Center Administrator, Director of Nursing, and the consulting Medical Director (the "Care Team"). The Care Team will monitor care at the Community and participate in decisions regarding Your care and transfer. All decisions regarding Your need for care, the appropriate level of care, the appropriate location for the provision of such care and whether Your transfer from Your Home is temporary or permanent will be made in the reasonable discretion of the Provider in consultation with the Care Team and You and Your physician or personal representative, including a family member of Your choice.

4.1.7 Physician Care. The Provider is not responsible for physician care, and physician services are at Your expense.

4.1.8 Home Health Care/Private Aides. You may arrange for home health care or private duty aide services in Your Home, provided that: (i) such care is consistent with all applicable laws, including California laws and regulations pertaining to assisted living services; (ii) You accept full responsibility for the cost of such home health care or private duty services; (iii) all providers of home health care or private duty aide services agree in writing to adhere to and actually do comply with the Community's home health care/private duty aide policies and procedures (see the Resident Handbook attached as **Appendix A** and the Provider's Policies for Private Duty Aides); (iv) all home health and private duty aides are employed by a licensed agency; (v) You understand and agree that the Provider shall not be liable for any loss, damage, or injury to You, or another resident of the Community, or any other person caused by providers of home health care or private duty services; and (vi) You agree to indemnify and hold harmless the Provider for any loss, damage or injury to You, another resident, or any other person caused by providers of home health care or private duty services.

4.1.9 Hospital Care. At Your request, the Provider will assist You in obtaining access to hospital care, as necessary. Such care shall be at Your expense.

4.1.10 Specialized Rehabilitative Services. At Your request, the Provider will assist You in obtaining specialized rehabilitative services from independent providers, such as

physical therapy, occupational therapy, speech therapy, and audiology. Such care shall be at Your expense.

4.1.11 Care During Absence from the Community. Except when no space is available in the Care Center as set forth in Section 4.1.4 (*Priority Access and Outside Care*), the Provider will not cover the cost of any care or services rendered to You other than at the Community and You must be physically located at the Community in order to receive benefits under this Contract. [See Section 4.2.2 (*Care at an Outside Facility*).]

4.2 Cost of Long-Term Care Services

4.2.1 Continuing Care Plan. When You transfer to the Care Center You will continue paying Your regular Monthly Fee that You paid when living in Your Home [as modified per Section 7.3 (*Temporary/Permanent Transfers*), if applicable], plus a charge for additional meals, depending on the meal plan You selected, at the then-current meal rates. If Your transfer is permanent, You must vacate Your Home according to the terms set forth in Section 7.3.2 (*Permanent Transfers*), and the terms of Section 7.3.3 (*Monthly Fees After Permanent Transfer Within Community*) will apply. You will be responsible for paying the fees for any optional services and supplies that You receive at the Care Center, as well as for any ancillary services, such as medications, therapies, and home health or private duty care, that are not covered by Your Monthly Fee. Once You transfer to the Care Center, basic skilled nursing care, memory support services, assisted living care, the Medical Director's services, and the Care Team services are included as a part of Your regular Monthly Fee. However, if within the twelve (12) months prior to Your transfer to the Care Center, You transferred between independent living homes and the Monthly Fee of Your most recent Home is less than the Monthly Fee for Your former Home, Your "regular Monthly Fee" will be deemed to be the higher of the two previous Monthly Fees.

4.2.2 Care at an Outside Facility. If space is not available at the Care Center and You receive care at an outside facility, You must continue paying Your regular Monthly Fee and the charge (if any) for additional meals to the Provider. If Your transfer is permanent, You must vacate Your Home according to the terms set forth in Section 7.3 (*Temporary/Permanent Transfers*). The Provider will pay the charges for the services You receive at the outside facility providing Your care to the extent that such services would be covered by Your Monthly Fee if You had received the care at the Community. You will be responsible for paying the fees for any services and supplies that You receive at the outside facility and that are not covered by

Your Monthly Fee [see Section 4.2.1 (*Continuing Care Plan*)]. When space becomes available at the Community's Care Center, the Provider will notify You, and You must return to the Community as promptly after the date of the notice as medical circumstances allow in order to continue to receive long-term care benefits under this Contract. The Provider's payment obligation to the outside facility shall end three (3) days after the date You are obligated to return to the Community. All obligations regarding the provision and quality of care at the outside facility shall be the responsibility of that facility and not the Provider, and You agree to hold harmless the Provider for any injury or damage You incur at the outside facility.

4.3 Major Medical Coverage

You agree to enroll, at Your own expense, in (1) Medicare (Parts A and B) or a substitute policy that is acceptable to the Provider; and (2) a Medicare supplemental insurance policy in a form and with an insurer reasonably acceptable to the Provider. At the Provider's request, You agree to provide it with evidence of such coverage. The coverages provided to You under this Contract are supplemental to, and not duplicative of, Medicare and any other public or private benefits for which You may be eligible, and You agree to cooperate with the Provider in seeking payment from such programs, to the extent You are eligible for benefits. If You fail to take action to procure the required coverage, the Provider may purchase such coverage on Your behalf and at Your expense.

4.4 Excluded Services

The following are examples of services that are not included in Your Monthly Fee and are not part of the Provider's obligations under this Contract: (1) care provided by individuals such as physicians, private duty caregivers, chiropractors, or faith healers; (2) ancillary supplies and services (such as prescriptions, bandages, oxygen, respiratory equipment, and personal hygiene products), home health care, and rehabilitation services; (3) acute care; (4) care that the Provider is not licensed or equipped to provide or does not routinely provide; (5) any services or supplies that the Provider determines, in its reasonable discretion, are not medically necessary; (6) treatment of pre-existing conditions that were not disclosed to the Provider; (7) cosmetic surgery or related cosmetic services or products; (8) experimental treatments; (9) organ transplants; (10) medical techniques not approved by the American Medical Association; (11) care provided by dentists, optometrists, podiatrists, or osteopaths; (12) drugs, medicines, vitamins, dental work, eyeglasses, contact lenses, hearing aids, or orthopedic or prosthetic appliances; (13) psychiatric or psychological care or services, including, without

limitation, treatment of mental illness, behavioral disorders, nervous disorders, alcoholism, drug addiction, or chronic substance abuse; (14) care of Alzheimer's disease or other dementias that exceeds the care routinely offered by the Provider; and (15) emergency medical care not covered under this Section 4 (*Long-Term Care*). If You have Medicare or other insurance which covers the excluded services described under this Section 4.4, Provider will cooperate with You in a reasonable manner to file an insurance claim, but You will ultimately remain responsible for the payment of such services.

5. PROVISIONS WITH RESPECT TO YOUR HOME

5.1 Your Housekeeping Responsibilities

You agree to keep Your Home in a clean and orderly condition.

5.2 Damage to Home or Community

The Provider will maintain insurance on the Community, including property damage and business interruption insurance, in amounts and with coverages it shall determine in its reasonable discretion. If all or part of the Community is destroyed or damaged by fire or other loss and in the Provider's reasonable discretion the insurance proceeds are sufficient to rebuild the Community to its previous condition, then the Provider will proceed to have the Community restored, unless then-existing laws or other circumstances would not permit prompt reconstruction and restoration or other circumstances make reconstruction and restoration not feasible. If the Provider proceeds to restore the Community and Your Home is not suitable for occupancy during such restoration, the Provider will pay the costs of renting reasonably comparable or lesser quarters at or near the Community, provided You continue to pay Your Monthly Fees as required by this Section 5.2. During the period of restoration, the Provider will use reasonable efforts to find suitable housing for such period, but if no such housing can be procured by the Provider despite such efforts, the responsibility for locating such housing will be Yours. The Provider cannot guarantee that such temporary alternative accommodations will be located at or near the Community or near any other residents of the Community. Throughout such time and to the extent reasonably practicable, the Provider will continue to furnish You or arrange for You to be furnished with the services that it has agreed to provide to You under this Contract or with appropriate substitutes. You will continue to be responsible for the payment of Your Monthly Fees if temporary accommodations and services are being provided to You. There may be an equitable allocation of Your Monthly Fee as reasonably determined by the Provider. If the casualty insurance proceeds are insufficient to restore the premises or the

Provider determines not to or is otherwise unable to rebuild the Community for any other reason, this Contract shall terminate under [Section 8.4.2.h (*Termination Rights of The Provider*)] as of the date of the Provider's determination not to rebuild the Community. In that case, You shall receive a repayment of Your Entrance Fee in accordance with Section 8.5.2 (*Amount and Timing of Refunds or Repayments*) regardless of the availability of insurance proceeds and without any contingency for entering into a residency contract covering Your former Home with a new resident, within ninety (90) days after the date the Provider determines not to rebuild the Community.

5.3 Alterations

Provider may make any alterations to Your Home to meet legal requirements and may make any alteration to the Community it deems appropriate. You agree not to make any structural alteration to Your Home or the Community. You may make nonstructural alterations, additions or improvements to Your Home, provided You obtain the prior written consent of the Provider. The Provider may condition its consent upon Your prior written agreement that: (i) such work will be performed by the Provider or under its direction; (ii) You will bear the costs of all labor, materials, plans, permits, approvals and incidental expenses necessary to make such alterations; (iii) if the alterations are other than the Provider's standard or upgrade materials, upon termination of Your occupancy of Your Home for any reason, the Provider may require You, at Your expense, to remove such alterations and to restore Your Home to its original condition (if the Provider performs such restoration, the costs shall be deemed a Miscellaneous Expense hereunder); and (iv) all such work shall be performed diligently and in a first-class, workmanlike and lien-free manner. See Section 8.5.4 (*Payments for Upgrades*) regarding the treatment of any amounts You pay to upgrade Your Home.

5.4 Maintenance, Repairs and Replacement

The Provider will be responsible for maintaining and making all repairs to the Community and replacement of furniture, fixtures, and equipment at the Community (the cost of which repairs and replacements will be included in Community operational costs to be paid from residents' Monthly Fees. (See Section 3.3 (*Monthly Fee*) above and the policies in the Resident Handbook.) However, You will be responsible for reimbursing the Provider directly for the cost of repairing any damage that You cause to the Community, beyond ordinary wear and tear.

5.5 Right of Entry; Licensure

Provider and its agents shall have the right, upon reasonable notice, to enter Your Home to respond to emergencies, perform services, make repairs, display Your Home to prospective residents (for example, if You have given the Provider a notice of cancellation or termination), and for all other lawful purposes. In addition, because each home at the Community is part of a continuing care retirement community that is licensed by the California Department of Social Services as a residential care facility for the elderly, any duly authorized agent of the Department may, upon stating the purpose of his or her visit, enter and inspect any portion of the Community, including Your Home, at any time, without advance notice. The Provider will make reasonable efforts to preserve Your privacy in Your Home.

6. MARRIAGE/DIVORCE; JOINT OCCUPANCY

6.1 Joint Occupancy by Residents

In the event this Contract covers one Resident and You wish to live with another resident of the Community, then Your Monthly Fee will change only if You vacate one of Your Homes and move in with the other resident at the Community. If You move in together, the vacated home must be "made available" to the Provider as described in Section 8.1 (*Cancellation Period/Refund*). Both residents and the Provider will execute an amendment to this Contract and the other applicable residency contract (or, at the Provider's sole discretion, will sign the then-current form of residency agreement for the Community) which acknowledges that one of the homes was surrendered and establishes a new Monthly Fee for the retained home equal to the then-current charge to new residents for double occupancy of the type of home retained. The amendment or new contract will also recite the amount of Entrance Fees previously paid and the timing of the Provider's payment of any refunds or repayments (which as to each resident will be triggered by the date his or her amended residency contract terminates, and not by the date the other resident's contract terminates).

6.2 Occupancy by Resident and Non-Resident

If You wish to live with a person who is not a resident (including a spouse) at the Community, such person must apply for admission to the Community and meet the admission requirements of a new resident. The decision whether or not to accept the applicant will be made by the Provider in its reasonable discretion. If the applicant is not accepted for residency, he/she will be deemed a guest, subject to the then-current Community guest policies and charges. If the applicant is accepted for residency, the applicant, You and the Provider will execute an

amendment to this Contract or enter into a new contract, at the Provider's sole discretion. You and the applicant will pay the then-current Second Person Entrance Fee established by the Provider for a home comparable to Your Home at the same repayment percentage then applicable to entrance fees. You will both be jointly and severally responsible to pay the then-current Monthly Fee applicable to double occupancy of a home comparable to Your Home. The Entrance Fees of each Resident will be treated as a single payment and no refund or repayment of the Entrance Fees, or any portion of such fees, shall be calculated or due until this Contract is terminated with respect to both Residents, unless a repayment is due pursuant to Section 7.4 (*Transfers to a New Home*).

6.3 Divorce or Separation

If Residents covered under this Contract separate or divorce and one person moves out and surrenders the Home to the other Resident, this Contract shall stay in effect for the remaining Resident at the Monthly Fee for single occupancy (based on the selected service package) and the Entrance Fee shall remain on deposit. No refund or repayment will be paid until the last remaining resident terminates this Contract. Any refund or repayment due will be allocated as described in Section 8.5.6 (*Refunds or Repayments to Couples*). Subject to availability and upon paying the then-current Entrance Fee for a new home and executing a separate residency contract similar in form to this Contract, the vacating Resident may move to another home in the Community.

7. TRANSFERS FROM YOUR HOME

7.1 Transfers Generally

You may request a transfer to another home or care setting within the Community. In addition, the Provider reserves the right to substitute Your Home with another comparable home if it is necessary to do so to meet any requirement of law or the lawful order or direction of the Fire Marshal or another authorized public official. You will then pay the then-current Monthly Fee applicable to Your new Home and that fee will be deemed Your "Monthly Fee" hereunder.

7.2 Conditions of Transfers

In addition to Your right to request a transfer, You also may be transferred to an appropriate care setting in the Community or to an outside facility if, in the judgment of the Provider, Your physician, or an appropriate specialist, or a governmental licensing official, in

consultation with the Care Team, You and Your appropriate representative, any of the following circumstances exists:

7.2.1 You become non-ambulatory and Your Home is not otherwise certified for non-ambulatory use (the legal definition of "non-ambulatory" is set forth in Health and Safety Code Section 13131, which is available upon request);

7.2.2 You develop a physical or mental condition that endangers Your health, safety, or well-being or that of another person, or causes an unreasonable and ongoing disturbance at the Community;

7.2.3 You engage in conduct or have a condition that interferes with the peaceful lodging of residents or the administration of the Community or endangers Community property or the property of other residents or staff;

7.2.4 Your condition or needs require that You be transferred to assisted living, memory support, skilled nursing, or another appropriate facility for more efficient or appropriate care or to protect the health of other residents or staff;

7.2.5 You must be transferred because You require care that exceeds the level which lawfully may be provided in Your current Home or that the Provider is unable to or does not routinely provide in Your Home; or

7.2.6 Your transfer to a nursing facility, hospital, or other facility is appropriate, and the Community does not have such facilities available to provide the level of care You require.

7.3 Temporary/Permanent Transfers

7.3.1 Temporary Transfers. If You temporarily transfer outside Your Home, You shall continue to pay Your regular Monthly Fee. You will also be responsible for paying a charge for additional meals outside the meal plan You have selected and for any optional services and supplies and ancillary services You receive that are not covered by Your Monthly Fee [See Section 4.2.1 (*Continuing Care Plan*)]. See Section 4.2.2 (*Care at an Outside Facility*) regarding Your other financial responsibilities when You are transferred outside of the Community. If You occupy Your Home with another Resident who is covered under this Contract and one of You is temporarily transferred outside Your Home, the remaining Resident may continue to occupy Your Home. In that case, there shall be no change in the payment of both Residents' regular Monthly Fee, except that the transferred Resident will also be responsible for paying for additional meals, services and supplies, and ancillary services received

that are not ordinarily covered by the Monthly Fee [See Section 4.2.1 (*Continuing Care Plan*) and Section 4.2.2 (*Care at an Outside Facility*)].

7.3.2 Permanent Transfers. If You (or, if this Contract covers two Residents, both of You) permanently transfer to the Care Center or outside the Community, You must vacate Your Home within thirty (30) days after the date on which You or Your representative sign a document acknowledging consent to the transfer (or, if You do not sign a transfer acknowledgment, thirty (30) days after the date that you transfer). If You do not vacate Your Home within the thirty (30) day period, You will pay double Your Monthly Fee from the 31st day on a pro rata basis until Your Home is vacated. If You occupy Your Home with another Resident who is covered under this Contract and one of You is permanently transferred outside Your Home, the remaining Resident may continue to occupy Your Home. Notwithstanding a permanent transfer, this Contract shall remain in effect until You or the Provider terminate it under Section 8 (*Termination of Contract and Refund or Repayment of Entrance Fee*).

7.3.3 Monthly Fees After Permanent Transfer Within Community. Following the permanent transfer of one or both of You from Your Home to another location at the Community, You will continue to pay Your regular Monthly Fee according to the terms described in Section 4.2.1 (*Continuing Care Plan*), plus any additional expenses required by this Contract, the Skilled Nursing Admission Agreement and other applicable agreements. Your Monthly Fee while residing in the Care Center will be automatically adjusted to the extent that the market rate Monthly Fee for the type of independent living home You occupied prior to Your transfer (as modified by the preceding sentence) increases or decreases from time to time. If You occupy Your Home with another Resident who is covered under this Contract and one of You is permanently transferred outside Your Home, there shall be no change in the payment of both Residents' regular Monthly Fee, except that the transferred Resident will also be responsible for paying for additional meals, services and supplies, and ancillary services received that are not covered by the Monthly Fee [See Section 4.2.1 (*Continuing Care Plan*) and Section 4.2.2 (*Care at an Outside Facility*)]. If You permanently transfer outside the Community, the Provider may terminate this Contract under Section 8.4 (*Termination Rights of The Provider*).

7.4 Transfers to a New Home

You may elect to move from Your Home to a different residence at the Community upon the Provider's approval, which will not be unreasonably withheld, and subject to availability and execution of the Provider's form amendment to this Contract or the Provider's

then-current form of residency agreement for the Community, at the Provider's sole discretion. If the then-current Entrance Fee for the new home at the time of transfer is higher than the Entrance Fee You originally paid for Your Home [see Section 3.1 (*Entrance Fee*)] You will pay to the Provider the difference between these Entrance Fees, which will be added to Your original Entrance Fee pursuant to the amendment to this Contract. For refund and repayment purposes [see Section 8.5 (*Amount and Timing of Refunds or Repayments*)] the additional Entrance Fee amount that You pay at the time You transfer to Your new Home shall be considered to have been paid on the same date that You paid Your original Entrance Fee under Section 3.1 (*Entrance Fee*). If the new Home to which You transfer has a lower Entrance Fee, at the time of transfer, than the Entrance Fee You originally paid for Your prior Home [see Section 3.1 (*Entrance Fee*)], You shall receive a partial prepayment of the Entrance Fee Note [see Section 8.5 (*Amount and Timing of Refunds or Repayments*)] as follows: The difference between the two Entrance Fees shall be calculated. The Provider will prepay the product of the amount of such difference and the Minimum Repayment Percentage (see **Appendix G**), and the balance of such difference shall be deemed earned by Provider and not repayable. Such prepayment shall be due only upon the re-letting of Your prior Home to a new resident and the expiration of the new resident's ninety (90) day cancellation period [see Section 8.1 (*Cancellation Period/Refund*)]. After Your transfer, Your Monthly Fee will be adjusted to the then-current Monthly Fee for Your new Home. Prior to Your transfer, you must pay the transfer fee set forth in **Appendix C** in the Schedule of Fees for Optional Services. Upon the prepayment referred to above, the amount of Your "Entrance Fee Note" [see Section 8.5 (*Amount and Timing of Refunds or Repayments*)] for all purposes thereafter shall be the amount of the lower Entrance Fee of Your new Home.

7.5 Return to Home After Permanent Transfer

If You vacate Your Home pursuant to what was expected to be a permanent transfer [as provided in Section 7.3.2 (*Permanent Transfers*)], and, in the judgment of the Provider, You become able to return to an independent living home at the Community, the Provider will offer You a Home as soon as one becomes available. You will then pay the applicable Monthly Fee for Your new Home. Moving costs shall be Your responsibility.

8. TERMINATION OF CONTRACT AND REFUND OR REPAYMENT OF ENTRANCE FEE

8.1 Cancellation Period/Refund

There shall be a Cancellation Period of ninety (90) days beginning on the "Occupancy Commencement Date" during which You or the Provider may cancel this Contract, with or without cause. The "Occupancy Commencement Date" shall mean that date that is the earlier of (a) the date that You first occupy Your Home or (b) sixty (60) days after the date on which you were first obligated to pay Monthly Fees [See Section 3.3.1 (*Monthly Fee, Amount to Pay*)]. If You cancel this Contract, You will give the Provider a written notice of cancellation. (An unsigned form entitled "Notice of Cancellation" is attached in duplicate to this Contract as **Appendix H.**) If the Provider cancels this Contract without cause pursuant to this Section, it will provide You with thirty (30) days written notice of such cancellation. In the event of cancellation, You shall be entitled to a refund of the amounts You paid under this Contract in accordance with California law, which provides that the Provider may deduct from Your refund the reasonable value of the services rendered. Your Application Processing Fee will not be refunded. The refund shall be made within fourteen (14) days after You "make Your Home available" to the Provider (that is, after You vacate Your Home, remove all Your belongings from it, and restore it to its original clean condition, excepting normal wear and tear). You must make Your Home available to the Provider within twenty (20) days after the date of the Notice of Cancellation.

8.2 Termination After Occupancy

You may terminate this Contract after the Cancellation Period for any reason, upon not less than ninety (90) days written notice to the Provider, sent by certified mail. The termination shall be effective on the date set forth in the termination notice (but not sooner than the ninety-first (91st) day following such notice), provided You make Your Home available to the Provider by that date. If You terminate this Contract under this Section, the repayment provisions set forth below in Section 8.5.2 (*Amount and Timing of Refunds or Repayments*) shall apply.

8.3 Termination Resulting from Resident's Death

If You die during or after the Cancellation Period, this Contract shall terminate immediately and the repayment provisions set forth below in Section 8.5.2 (*Amount and Timing of Refunds or Repayments*) shall apply.

8.4 Termination Rights of The Provider

8.4.1 Resident's Financial Difficulty. After Your initial occupancy of Your Home, the Provider will not terminate this Contract based on Your financial inability to pay

Your Monthly Fee or other charges if the conditions set forth in this Section are satisfied. You may be allowed to remain at the Community, at the reasonable discretion of the Provider, with a portion of Your Monthly Fee and other charges deferred, based on Your ability to pay, provided that: (i) You establish facts that justify deferral of the usual charges; (ii) You have not misrepresented Your income or assets; (iii) You have not impaired Your ability to meet Your financial obligations under this Contract by making gifts or other transfers of Your assets; (iv) the deferral may, in the sole discretion of the Provider, be granted without impairing the Provider's ability to operate on a sound financial basis; and (v) You agree in writing that the amount of any Monthly Fees or other charges deferred under this Section ("Deferred Charges") shall be deemed a loan to You from the Provider with interest on the outstanding amount at a rate of prime plus one percent (1%) per annum or the maximum legal rate, whichever is less, compounded annually. Under these conditions, the Provider will pay the Deferred Charges on Your behalf as and when they become due. The Provider will have a first security interest and lien against Your estate and the portion of Your Entrance Fee which is refundable or repayable hereunder, and the outstanding loan balance and interest shall be deducted when the Provider calculates Your refund or repayment under Section 8.5 (*Amount and Timing of Refunds or Repayments*) below. As a condition to allowing You to remain at the Community, the Provider may require You to execute and deliver upon request promissory notes, security agreements, and any other document to secure or evidence the loan of the Deferred Charges. The Provider reserves the right to terminate or reduce Your deferral if Your financial circumstances improve.

8.4.2 Termination for Just Cause. After the Cancellation Period, the Provider will not terminate this Contract unless it has just cause to do so. Just cause to terminate this Contract shall include, but not be limited to, the following circumstances:

8.4.2.a You fail to pay Your Monthly Fee or any other charges that are due, and You fail to make such payment within ten (10) days after You have received written notice from the Provider of the possibility of termination;

8.4.2.b You fail or refuse to comply with the rules and regulations of the Community;

8.4.2.c Your continued residency at the Community poses a danger to Community property or to the health, safety, or property of Yourself, other residents or staff;

8.4.2.d You refuse to be transferred in accordance with Sections 7.1 (*Transfers Generally*) and 7.2 (*Conditions of Transfers*) of this Contract;

8.4.2.e Your continued residence at the Community interferes with the peaceful lodging of other residents or the administration of the Community;

8.4.2.f You materially breach this Contract, or made a material misrepresentation in Your application to the Community or in this Contract;

8.4.2.g You willfully divest, transfer for less than fair market value, or mismanage a material portion of Your assets that are needed for Your payment of Your Monthly Fee and other charges due under this Contract;

8.4.2.h The Community is damaged or destroyed by casualty and the Contract is terminated pursuant to Section 5.2 (*Damage to Home or Community*) above;

8.4.2.i There is a partial or total condemnation, appropriation or similar taking of the Community or your Home; or

8.4.2.j You permanently transfer outside of the Community or vacate or abandon your residence.

8.4.3 Limitation on Termination. The Provider shall not have good cause for termination under this Section solely on the basis of, and will not retaliate or discriminate against You, if: (i) You (or Your representative) file or lodge a formal or informal complaint with the Department of Social Services, or any other State, county, or city agency, or any elected or appointed government official or other appropriate authority; or (ii) You participate in an organization, affiliation or association of residents or engage in other similar lawful activity. This provision does not limit the rights of the Provider to contest or dispute any such complaint or to otherwise enforce the provisions hereof.

8.4.4 Written Notice and Effect of Termination. Before the Provider terminates this Contract under this Sections 8.4.2.b, d, or f (*Termination for Just Cause*) the Provider will give You ninety (90) days written notice stating the cause for the proposed termination, and during that ninety (90) day period You may cure the basis for the termination. Upon the termination of this Contract under Section 8.4.2, You must make Your Home available to the Provider.

8.4.5 Refund. If the Provider terminates this Contract under this Section 8.4 (excluding Section 8.4.2.h and 8.4.2.i which are addressed in Section 8.5.2), You will be entitled to a refund of the amounts paid under this Contract, minus the reasonable value of the services, care, and residence actually provided to You by the Provider, in accordance with California law. The refund will be made to You within fourteen (14) days after You make Your Home available

to the Provider or within ninety (90) calendar days after the date of the notice of termination, whichever is later. Your Application Processing Fee will not be refunded to You.

8.5 Amount and Timing of Refunds or Repayments

Your Entrance Fee is intended to be a loan to the Provider, with a portion of that loan being repaid to You as determined by the length of time that You are a resident of the Community. At the Closing, the Provider will give You a promissory note which evidences this loan (the "Entrance Fee Note").

8.5.1 Sections 8.1. and 8.4. Refunds of Entrance Fees pursuant to Section 8.1 (*Cancellation Period/Refund*) and Section 8.4 (*Termination Rights of The Provider*), excluding Sections 8.4.2.h and 8.4.2.i, shall be in the amounts and paid within the time periods set forth in those Sections.

8.5.2 Sections 8.2., 8.3., 8.4.2.h and 8.4.2.i When this Contract is terminated pursuant to Section 8.2 (*Termination After Occupancy*), Section 8.3 (*Termination Resulting from Resident's Death*), Section 8.4.2.h, or Section 8.4.2.i, You or Your estate will be entitled to repayment of a portion of Your Entrance Fee (the "Repayment Amount"). Your Repayment Amount shall be calculated as follows: (a) the greater of (i) the amount of Your Entrance Fee Note times the Minimum Repayment Percentage, and (ii) the amount of Your Entrance Fee Note minus the product of the principal amount of the Entrance Fee Note and the Amortization Rate for each Month (see **Appendix G**) from the Occupancy Date; minus (b) all outstanding Monthly Fees, Miscellaneous Expenses, Deferred Charges and other charges owing to Provider. Examples of the application of this Section are set forth on **Appendix G**. Repayments shall be paid to You on the earlier of: (i) fourteen (14) calendar days after the Provider enters into a residency contract covering Your former Home with a new resident who has executed a continuing care residency contract and paid the applicable Entrance Fee for Your former Home; or (ii) twenty five (25) years after the date You make Your Home available to the Provider. However, notwithstanding the forgoing repayment mechanism, (1) repayments upon a termination of this Contract due to a fire or other casualty (See Section 8.4.2.h) shall be paid in accordance with Section 5.2 (*Damage to Home or Community*) above without any contingency for entering into a residency contract covering Your former Home with a new resident and (2) repayments upon termination of this Contract due to a condemnation or appropriation (See Section 8.4.2.i) shall be paid within ninety (90) days after termination of this Contract without

any contingency for entering into a residency contract covering Your former Home with a new resident.

8.5.3 Cancellation of Entrance Fee Note. Upon the receipt of the refund or repayment of Your Entrance Fee as provided under this Contract, Your Entrance Fee Note shall be deemed cancelled and You or Your representative will deliver to the Provider the Entrance Fee Note marked "Cancelled."

8.5.4 Payments for Upgrades. If You paid for any approved alteration, addition, or modification to Your Home [see Sections 3.5 (*Upgrades to Your Home*) and 5.3 (*Alterations*)], and the Provider cancels or terminates this Contract, You may receive a refund of a portion of that amount, which will be amortized at the Amortization Rate (as defined on Appendix G) beginning from the date that You paid that amount or the date You first occupy Your Unit, whichever is later. You shall receive the refund of such upgrade amount, if any, at the time You receive a refund of Entrance Fees pursuant to Section 8.1 (*Cancellation Period/Refund*) and Section 8.4 (*Termination rights of The Provider*). Once the amount You paid for any alteration, addition or modification to Your Home has fully amortized, You will receive no refund related to such items. You shall not be entitled to any refund of such upgrade amount if You transfer from Your Home, cancel or terminate this Contract, or upon Your death.

8.5.5 Deductions from Refunds and Repayments. You shall be responsible for continuing to pay Your Monthly Fee, together with such amounts as will cover other expenses incurred by You, and any repairs to or replacement of the Provider's property for damage caused by You, excepting ordinary wear and tear, through the effective cancellation or termination date of this Contract or the date You make Your Home available to the Provider, whichever is later. All outstanding and unpaid Monthly Fees, Miscellaneous Expenses, Deferred Charges, and other charges [see Section 9.7 (*Resident's Personal Obligations*)] will be offset against Your refund or repayment amount due under this Contract.

8.5.6 Refunds or Repayments to Couples. If this Contract covers two Residents and terminates as to only one Resident, then this Contract shall continue in full force as to the remaining Resident, and the Monthly Fee will be adjusted to the amount then charged to a single resident for a home comparable to Your Home. No refund or repayment of the Entrance Fee will be calculated or due until this Contract is terminated with respect to the remaining Resident, except under the circumstances described in Section 6.2 (*Occupancy by Resident and Non-Resident*) above (where a second occupant is admitted to residency after initial occupancy by a

single resident). In the event of termination of this Contract as to both Residents pursuant to this Section, the repayment provision set forth in Section 8.5 (*Amount and Timing of Refunds or Repayments*) that is applicable to the second Resident's termination shall govern. Any refund or repayment due will be allocated one half (1/2) to each of You, unless otherwise agreed to in writing.

9. RESPECTIVE RIGHTS OF RESIDENT AND THE PROVIDER

9.1 Other Residents

The Provider may enter into continuing care residency contracts, service contracts, or other agreements with other people and entities that contain terms different from those contained in this Contract. Despite any such differences, this Contract sets forth Your rights and obligations with respect to the Provider and the Community.

9.2 Guests

The Provider will provide Your family and other guests with opportunities to visit and participate in activities at the Community, if You desire. All guests must abide by all applicable rules contained in the Resident Handbook, including any limitations on the length of stay or frequency of visits. If Your guest exceeds the limitations on the length of stay, he or she must apply and qualify for residency at the Community. [See Section 6.2 (*Occupancy by Resident and Non-Resident*).] You will be responsible for assuring that Your guests abide by these rules and are not disruptive. Your guests may be denied access to the Community if they fail to observe the Resident Handbook rules.

9.3 Community Policies

The Provider may adopt policies to preserve the health, safety, and peaceful enjoyment of the Community by all residents, to repair and maintain the building(s) and grounds in a pleasant, clean and orderly condition, to administer services at the Community, and for all other reasonable and lawful purposes. Many of these policies and rules are set forth in the Resident Handbook, which is attached to this Contract as **Appendix A**. The Provider reserves the right to amend its policies from time to time in its reasonable discretion, and You agree to abide by the policies as adopted and amended.

9.4 No Lease or Assignment

Your rights and privileges to use and enjoy Your Home and the facilities at the Community and to receive care and services under this Contract are personal, and they may not

be transferred or assigned by You, by any proceeding at law, or otherwise. In addition, You may not lease Your Home to any person or entity.

9.5 Resident's Rights

Residents of the Community have a right of self-organization pursuant to California law. Residents shall also have the right to join in group activities, to use Community amenities for group meetings, and to obtain current copies of legally-required disclosure statements, financial audits and inspections of the Community. The Provider's representative will meet with residents annually (or more frequently if required by the State of California) in a general assembly to discuss the current status of the Community. The Provider will also maintain an internal procedure for addressing residents' concerns. Your rights under this Contract are limited to those rights expressly granted in it and do not include any proprietary interest in the Community, any managerial or other interest in the Provider or any third-party contractor, or any interest in any payments made under this Contract. Attached to this Contract, as **Appendix I**, is a statement of Your statutory rights under California law.

9.6 Mortgage Loans

No debt service of any kind will be included in the Monthly Fees, except for Shortfall Loans, if any, as described in **Appendix D**. The lien and rights of the lender financing the initial construction of the Community will be senior and have priority over Your rights under this Contract, but the loan documents will contain provisions assuring that Your rights to occupy Your Home in accordance with this Contract will not be disturbed. In the event any other mortgage loan encumbers the Community, Your rights under this Contract are senior to and will have priority over the rights of the mortgage lender.

9.7 Resident's Personal Obligations

The Provider will not be responsible for any expenses, debts or obligations incurred by You or on Your account either at the Community or elsewhere. The Provider is likewise not responsible for giving You support, maintenance, care, board, or lodging when You are absent from the Community, except as stated in Sections 3.3.7 (*Credit for Absences*), 4.1.4 (*Priority Access and Outside Care*), and 4.2.2 (*Care at an Outside Facility*).

9.8 Relocation of Personal Property; Restoration of Home

If You transfer or give up Your Home for any reason, You agree to make Your Home available to the Provider as provided in Section 8.1 (*Cancellation Period/Refund*). You or Your legal representative shall pay all expenses (including those incurred by the Provider)

incurred to make Your Home available for occupancy. Upon move-out, the Provider shall have the right to remove and dispose of or store Your property, at Your expense.

10. MISCELLANEOUS

10.1 Insurance

You shall be responsible for maintaining with a reputable insurer, insurance to cover the full replacement value of Your personal property at the Community. You shall also be responsible for obtaining liability insurance for bodily injury or property damage to others caused by You or Your guests, invitees or employees.

10.2 Interruption in Services

An interruption in services or failure to maintain services under this Contract shall not constitute a breach of this Contract, if the interruption is caused by factors beyond the reasonable control of the Provider, including, but not limited to, strikes, lockouts, or other labor disturbances, government orders, acts of terror, embargoes, shortages of labor or materials, inclement weather, fire, flood, earthquake or other casualties, power outages or the conduct of residents. In the event of an interruption in services, the Provider shall use reasonable efforts to restore the services or to provide substitute services.

10.3 Liability for Injury or Damage

You agree to indemnify, defend, and hold the Provider and Classic Residence and their respective partners, affiliates, shareholders, directors, officers, agents, attorneys, and employees and their respective directors, officers, and employees, harmless from all costs and liability for injury or damage caused by Your acts or omissions and those of Your guests, licensees, employees, and invitees, including attorneys' fees and costs.

10.4 Limitation on Liability

Nothing in this Continuing Care Contract limits either the Provider's obligation to provide adequate care and supervision for You as the Resident or any liability on the part of the Provider which may result from the Provider's failure to provide this care and supervision.

10.5 Resident's Representations

By executing this Contract, You represent and warrant, which representations and warranties shall be deemed remade when You take occupancy of Your Home (except as You otherwise notify the Provider in writing prior to taking occupancy), that: (i) You meet all the criteria for residency at the Community and performance of all Your obligations under this Contract; (ii) You have assets and income sufficient under foreseeable circumstances to meet

Your ordinary and customary living expenses incurred after You assume occupancy at the Community; and (iii) all representations made by You or on Your behalf, whether written or verbal, with respect to Your admission to the Community, were true when made.

10.5.1 Changed Circumstances. If Your circumstances (health, financial, or personal status) materially change prior to Your taking occupancy, You must notify the Provider of those changed circumstances prior to occupying Your Home. In such event, the Provider will determine in its discretion whether (i) Your changed circumstances prevent You from being qualified to enter the Community and (ii) to terminate this Contract. If such changed circumstances are health related, the Provider will not terminate this Contract if You begin occupancy in the appropriate care setting within the Community and doing so complies with California law. If Your financial circumstances have changed after the Provider approved You for admission to the Community, the Provider will permit You to move into the Community only if You demonstrate You have (a) total net assets equal to at least one and one-half times the amount of Your Entrance Fee payable under Section 3.1 (*Entrance Fee*); (b) monthly income equal to a minimum of one and one-half times the Monthly Fee payable under Section 3.3 (*Monthly Fee*).

10.5.2 Misrepresentation or Omission. You understand and agree that any material misrepresentation or omission made by You or on Your behalf in connection with the application for residency, including personal data forms and statements of financial condition and health history submitted by You or on Your behalf to the Provider, shall make this Contract voidable at the Provider's option. Your application for admission and all related documents are incorporated by reference into this Contract and made an express part of it.

10.6 Motorized Personal Transportation Vehicles

You may use motorized vehicles approved by the Provider for Your personal transportation, including wheelchairs, carts and scooters, at the Community, provided You agree in writing to adhere to and actually do adhere to the Provider's motorized vehicles policies that are, from time to time, in effect.

10.7 Audited Financial Statement and Disclosure Statement

A copy of the Provider's most recent audited financial statement is attached to this Contract as **Appendix J**. The Provider will make available to You for inspection at the Community, at all reasonable business hours and upon reasonable notice, its current audited

financial statement for the Community. You have also received a copy of a disclosure statement containing general information about the Provider and the Community.

10.8 Possible Imputed Interest Tax Liability

In 1984, Congress passed legislation (Internal Revenue Code Section 7872) that could permit the Internal Revenue Service ("IRS") to classify the returnable portion of Your Entrance Fee as a below-market interest rate loan to the Provider. In that case, the IRS may impute interest to You and You may be liable for federal and state income taxes as if Your Entrance Fee were an interest bearing loan and regardless of whether You received any interest payments. In such a situation, You would have taxable income to the extent of the imputed interest, with no corresponding deduction or receipt of interest income (except as provided below). However, under Internal Revenue Code Section 7872(g), a limited portion [\$158,100 in 2005] of a returnable Entrance Fee paid to a "qualified continuing care facility" may be exempt from the imputed interest rules. Provider has structured the Community in a manner that is intended to qualify for this limited exemption.

To further mitigate the associated income tax expense of imputed interest You may be deemed to receive because of returnable Entrance Fees that are in excess of any applicable exemption, the Provider will make annual interest payments to You based on Your Repayment Amount (less any prepayments thereof and any exempt amounts) as provided in the Entrance Fee Note. In general, the Entrance Fee Note shall require the Provider to make an annual interest payment in an amount that is intended to reduce or pay the amount of estimated after-tax liability You would incur under then current tax law and regulations if income were imputed to You with respect to the non-exempt repayable portion of Your Entrance Fee. The interest payment amount will be determined annually based on the applicable federal rate on "demand" or short-term loans under Internal Revenue Code Section 7872(f)(2)(B) or its successor provision multiplied by the tax rate reflected on Your then-current federal and state tax returns, or a minimum rate that the Provider will establish if You do not wish or fail timely to disclose Your applicable tax rate. An example of the application of this Section is set forth on **Appendix G**. The Provider may hire a third party to compute the annual interest payments. The annual interest payments made by the Provider and all costs incurred (such as accounting and legal costs) by the Provider in connection with calculation of the annual interest payments and the like, shall be borne solely by the Provider, and none of these costs shall be deemed

operational costs of the Community charged to the residents, whether through Monthly Fees or otherwise.

Since 1984, a moratorium has been in effect on the IRS's enforcement of the imputed interest rules with respect to below-market loans made to continuing care communities that are not "qualified continuing care facilities." The Provider reserves the right to change the structure of the Community by selling or transferring the Care Center assets, including the Skilled Nursing Facility, to an affiliated company and establishing a lease between the affiliate and the Provider. If the Provider enters into such a lease, the lease payments made by the Provider will not be deemed operational costs of the Community for purposes of computing fees to be charged to residents, whether through Monthly Fees or otherwise. If the Provider determines that, after such restructuring of the Community, the Community will no longer be a "qualified continuing care facility" and will be eligible for the moratorium applicable to non-qualified facilities, the Provider will not make any annual interest payments to You. If, after such a restructuring, the IRS adopts regulations that result in the application of the imputed interest rules to non-qualified continuing care communities, then, during the period of time that the Community is a non-qualified continuing care facility, the Provider will indemnify You from any income tax liability on interest income imputed to You and from any penalties assessed against You by the IRS or other taxing authority.

The Internal Revenue Code and Regulations may be amended from time to time and the Provider will not monitor or provide notices to You of any such amendments. You are urged to seek independent tax advice concerning any tax consequences associated with this Contract. In the event that the Internal Revenue Code or implementing regulations are amended so that there is no longer income tax expense associated with imputed interest income applicable to this Contract or the Entrance Fee, the Provider will no longer be obligated to make payments to You under this Section 10.8. or under the Entrance Fee Note and the indemnification referred to in the preceding paragraph will no longer be available for periods of time after the amendment of the Internal Revenue Code or implementing regulations.

10.12 Waiver of One Breach Not a Waiver of Any Other

10.13 The Provider's Right to Contract for Services

The Provider reserves the right to contract for services, enter into lease arrangements and management agreements, and delegate certain of its responsibilities under this Contract, which may be with affiliates of the Provider (e.g., Classic Residence) (collectively, the "Arrangements"). Notwithstanding the Provider's right to enter into the Arrangements, the Provider shall retain the ultimate responsibility to carry out the provisions of this Contract for You and for the benefit of the Community and its other residents.

If the Provider is required to evacuate residents because of a threat or occurrence of a natural disaster, Monthly Fees will include any costs for Your transportation and/or lodging that are not reimbursed by insurance.

10.17 Mediation

In the event any dispute arises between the parties under this Contract, either party may request that the dispute be the subject of non-binding mediation. The mediation shall be held in Palo Alto, California and shall be conducted by a mediator selected in accordance with the procedures of the American Arbitration Association ("AAA"). The mediation shall be conducted pursuant to the rules of the AAA and shall be held within 90 days of notice by one party to the other demanding mediation, and stating the general nature of the dispute and the remedy or resolution being requested. Each party shall bear its or their own costs and attorney's fees related to the mediation, and the costs of the mediating entity and mediator shall be split by the parties.
