Re: *Richter et al v. CC-Palo Alto, Inc. et al*  
Case No. 14-CV-00750 EJD

Dear Judge Davila:

Our office received the notice from the Court resetting Friday's motion and case management conference to August 28, 2014 at 1:30 p.m. Jim McManis, who will argue the motion for defendants, is unavailable at that time.

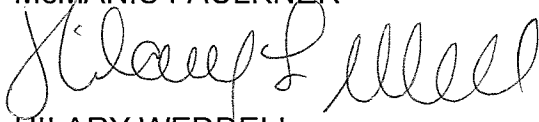

I contacted opposing counsel to clear dates that were mutually available for both counsel, and have the following: August 18, 19, and 26 (morning only), and September 9 or 19.

We hope one of those dates works for the Court and a revised order may issue.

Thank you.

Very Truly Yours,

McMANIS FAULKNER
